WAR AS FIERCE
AS EVER.

The offer of the United States to do everything in its power, toward bringing about an understanding between the nations now at war in Europe has simply been acknowledged by the belligerents and conditions today are as gloomy as ever. It is said that Germany has already lost one hundred thousand men, while the allies have had their ranks thinned at an equally alarming rate.

Many acts of unnecessary cruelty are reported, in one instance Red Cross nurses having been fired upon. Ghouls are robbing the dead, women, it is said, being engaged in this loathsome work. One female was shot for cutting fingers from dead soldiers which contained rings.

In the last book of the sacred canon an angel is described standing in the sun calling upon the birds of the air to come to a great supper, where they are to eat the flesh of kings and the mighty of this world, which are to line battle fields, as well as horses which are to fall in the conflict. It looks as though the world is approaching this gruesome feast.

While the Germans are represented as forging head into France notwithstanding the brave opposition they are meeting it remains to be seen how long either side can stand before the rain of bullets, cannon balls and shells. One side or the other will inevitably be forced to give way.

The war on the sea is the second phase of this terrible human conflict. Five ships belonging to the German empire are now lying at the bottom of the North Sea, having been sunk by British vessels, and what was a few years ago the most luxurious and largest German passenger ship afloat has met a similar fate on the coast of Africa.

Germany is pressing toward Paris and Russia is gradually making her way to Berlin.

Already the present conflict has assumed proportions far exceeding those of any other war which has occurred on the planet. Turkey seems anxious to enter the ring, while Mahometans are about to take advantage of the disturbed conditions in Europe to make war upon those they term "Christian dogs."

Socialism and anarchy, while lying low, may also attempt to forge ahead under such stormy conditions.

The sea and the waves are truly roaring and men's hearts failing them for fear of those things that are coming upon the earth.

A Central News dispatch from Brindisi, Italy, says that a British destroyer sunk an Austrian destroyer off Corfu after a ten-minute fight. The British torpedo boat destroyer Weland has engaged and sunk the German torpedo boat destroyer S-90, near Chefoo, China.

HELPLESS AS BABY

Down in Mind Unable to Work,
and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emery, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work."

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them."

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.

The troops to increase the forces were now on the way, he said. He added that all the gaps in the army in France were being filled up. That the employment of native Indian troops was meant by Lord Kitchener was later confirmed by the Marquis of Crewe, Secretary of State from India.

Favorite Remedy for Diarrhoea.
"About three years ago I had a serious attack of summer complaint. The doctor's medicine failed to benefit me so I sent for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy upon the recommendation of one of my neighbors. One dose of it did me more good than all the other medicine I had used. I improved rapidly and in a short time I was well," writes Mrs. Mary Higgins.

Tires at Before-War Prices

Goodyear Prices

It is Folly Today to Pay More

30x3	Plain Tread.	\$11.70
30x3 1/2	"	15.75
34x4	"	24.35
36x4 1/2	"	35.00
37x5	"	41.95

There exists now a new, compelling reason for buying Goodyear tires. It results from War Conditions.

These leading tires—built of extra-line rubber, in the same way as always—are selling today at June prices.

You will find today a very wide difference between most tire prices and Goodyears.

DUE TO QUICK ACTION.

Early in August—when war began—the world's rubber markets seemed closed to us. Rubber prices doubled almost overnight.

Men could see no way to pay for rubber abroad, and no way to bring it in. We like others—in that panic—were forced to higher prices. But we have since gone back to prices we charged before the war, and this is how we did it:

We had men in London and Singapore when the war broke out. The larger part of the world's rubber supply comes through there. We cable them to buy up the pick of the rubber. They bought—before the advance—1,500,000 pounds of the finest rubber there.

Nearly all this is now on the way to us. And it means practically all of the extra-grade rubber obtainable abroad.

GOODYEAR TIRE & RUBBER CO., Akron, O.

Today we have our own men in Colombo, Singapore and Para. These are the world's chief sources of rubber. So we are pretty well assured of a constant supply, and our pick of the best that's produced.

We were first on the ground. We were quickest in action. As a result, we shall soon have in storage an almost record supply of this extra grade of rubber.

And we paid about June prices.

Now Inferior Grades Cost Double.

About the only crude rubber available now for many makers is inferior. In ordinary times, the best tire makers refuse it. Much of it had been ejected. But that "off rubber" now sells for much more than we paid for the best.

The results are these:
Tire prices in general are far in advance of Goodyears. And many tire makers, short of supplies, will be forced to use second-grade rubber.

BE CAREFUL NOW.

In Goodyears we pledge you the same-grade tire as always. And that grade won for Goodyears the top place in Tiredom—the largest sale in the world.

And, for the time being, our prices are the same as before the war. We shall try to keep them there.

We accept no excessive orders; but dealers will be kept supplied. And we charge them, until further notice, only ante-bellum prices.

That means that Goodyears—the best tires built—are selling way below other tires.
